

APUSH Unit 5: Global Involvements and World War I

Directions: Read and outline Chapter 22 Section 2 "War in Europe: 1914-1917" and Section 3 "Mobilization at Home, Fighting in France, 1917-1918".

After you finish your outline, use your notes to answer the following questions.

Section 2: "War in Europe: 1912-1917"

- 1.) List the events, in chronological order, that led Europe into World War I. What nations were involved? In what year did war officially begin in Europe?
- 2.) What nations formed the Central Powers? The Allies?
- 3.) When war broke out in Europe, what stance did Wilson take? What were his reasons? List others who supported this position.
- 4.) In 1917, the US joined WWI. Why? List the events, in chronological order, that eventually lead America into the war.
- 5.) Why did the US join the Allies instead of the Central Powers?

Section 3: "Mobilizing at Home, Fighting in France: 1917-1918"

- 6.) How long we US soldiers fighting in WWI?
- 7.) How did America's government successfully mobilize an army large enough to fight a world war? Were there any complications?
- 8.) How did the government ensure that our economy was prepared to handle the demands of war-time production?
- 9.) How did American citizens contribute to the war-effort?
- 10.) The Battlefield:
 - Where were America troops sent?
 - What happened in Russia? How did this affect the war?
 - Describe what US soldiers experienced during the battle.
 - Final Battle? Who wins? War ended on...
